

Desert Horizons Park

Project Description

Desert Horizons, one of North Las Vegas' newest sites, offers some truly unique features to the public. The facility's bocce courts, tennis courts, horseshoe pits, and walking track have proven popular among adult residents. Younger residents enjoy the park's playground units and sports fields. Traditional features, such as shaded shelters, make Desert Horizons an ideal location for picnics, family gatherings, or other outdoor activities.

Features:

- Playground units
- Picnic sites
- Walking/jogging track
- T-ball diamond
- Soccer field
- Basketball courts
- Tennis courts
- Six bocce courts
- Two horseshoe pits
- Demo garden
- Public restrooms
- Off-street parking

Civil Engineering design for this 11 acre park included a drainage study, site grading plan, on-site public parking and off-site street improvements for three surrounding streets.

Owner

City of North Las Vegas

Location

3750 Simmons St.
North Las Vegas, NV 89032

Size of Project

11 Acres

Estimated Project Construction Costs

\$2.9 million

Services Performed
